Love, Sara Ann Stepp*

*Dear Philippi Baptist & Frances,  
I would like to take this opportunity to thank you and the other members of Philippi for providing the refreshments for Graduation. The graduates, as well as the visitors and staff, appreciated your kindness and generosity. Our Annual Graduation Ceremony is a time to honor and recognize the hard work and effort put forth by our students. All of you, through your hard work, ensured that the day was special for them. On behalf of the staff, administration, and graduates, we thank you.*

*Sincerely,  
Matt Thompson, Principal
